Union Regulations and Exhibitor Rights

Union labor will be required for certain aspects of your exhibit handling. To assist you in planning your participation in the forthcoming exhibition, please review the following.

**Teamsters Union - Freight & Material Handling (Drayage)**

This union claims jurisdiction on the operation of all material handling equipment and all unloading, delivery, removal of empty containers and reloading of freight. You may ship goods to either the advance warehouse or direct to show site, for arrival during the published receiving periods. Teamsters will deliver your freight to your booth on the exhibit hall floor.

Exhibitors may handle freight at show site that arrive via their Personally Owned Vehicle provided that the freight is hand carried (no dollies, hand trucks, or other wheeled vehicle) to and from your booth by one person in one trip. To hand carry, use of the loading dock is not permitted. Any freight coming through the loading dock will be charged material handling fees.

Material Handling may be ordered using the “Material Handling Order Form” provided in the kit.

**Decorators Union - Booth Erection & Dismantling**

Members of this union claim jurisdiction over all set-up and dismantling of exhibits including rigging, signage and carpet installation. Exhibitors may, at their option, erect and dismantle their own booths using their own full-time employees. You may set and dismantle your own exhibit display if one person can accomplish the task in less than one hour without the use of power tools. If exhibitor employees are not available, labor can be ordered using the “Labor Order Form” in the kit.

**Safety**

Standing on chairs, tables or other rental furniture is prohibited. The furniture is not engineered to support your standing weight. Advantage Conference & Expo is not responsible for injuries caused by improper use of our furniture.

If you would like additional information regarding how the jurisdictions may apply to you, please call Advantage Expo at 410-789-5000 for assistance.

Below are some of the most commonly asked questions regarding freight handling, often referred to as drayage. This can be the most costly part of exhibiting at conventions. Read on for some shipping tips which will help you save money by avoiding unnecessary surcharges.

What is “Freight Handling/Drayage”? — The term drayage is the moving of exhibit materials from one location to another. Whether you ship to an advance warehouse or directly to show site, your materials still need to get to your booth and then back on your outbound shipper’s truck at the end of the show.

Drayage services include the following six tasks: 1) accepting of your material either at our warehouse or on show site, 2) storage until show set/up to 30 days at no charge 3) delivery to your booth at show set, 4) storage of your empty containers during the show, 5) returning empty containers at the close of the show, 6) returning your packaged freight to the dock and loading on the carrier of your choice.

May I carry my own materials to my booth? — Any exhibitor may bring in his own materials providing that they can be hand carried by one person in one trip, without the use of dollies, hand trucks or any other equipment. If you choose to hand carry your exhibit, you would not be permitted access to the loading dock area.

How are rates determined? — Drayage charges are based on a number of factors including Union labor rates, facility access and the show move-in/move-out schedule, to name a few. Advantage uses Union labor to move freight. These rates vary from city to city.

Tips on how you can save money. — Read the Freight Handling section of your service kit carefully. Be aware of any surcharges that may be assessed for special handling or late shipments. Pay special attention to deadline dates. If you ship in advance to our warehouse and your shipment arrives after the published deadline date, a surcharge will be assessed.

Crated materials are the easiest to unload, therefore, have the least expensive drayage charge. Loose, pad wrapped and uncrated materials require more labor time, and therefore, may be assessed a special handling fee. It may be cost effective for you to build crates for any portion of your exhibit that is not crated.

Small shipments versus large shipments. — Most Service Contractors have a minimum of 200 lbs. per shipment. It is best to send your freight as one large shipment versus several small shipments. For instance, if you send one 45 lb. and one 55 lb. package separately, you are charged the minimum on each shipment. If you are planning to ship items from various locations, you may want to ship them all to a central location then forward them to the Service Contractor’s warehouse and/or show site.
If you ship your materials in one shipment and the carrier makes multiple deliveries, you will be charged for each delivery to our dock, regardless of whether or not the materials were shipped together as one shipment.

**Advance shipments versus show site shipments.** — In general it is best to ship your materials in advance to the advance warehouse. You can (and should) confirm that we have received your materials well in advance of the show installation. If there is a problem, it can be solved prior to the show. When shipping to show site, if there is a problem, there is seldom time to solve the problem prior to show opening.

Another advantage to advance shipments is that your materials will be in your booth when you arrive and you can begin installation immediately, thus saving you time and frustration at show site.

Two of the most expensive mistakes made by exhibitors are: 1) shipping materials in several shipments or 2) shipping via UPS or similar carriers that split a single shipment into several deliveries to our dock. Remember, each delivery incurs a minimum charge.

**Always be aware of freight receiving deadlines.** - You will be assessed a late charge if your shipment arrives after the advance order cut off date. Inform your shipper that all items must arrive prior to a specific date.

**Always ship your materials crated.** — Loose or pad wrapped items are assessed special handling fees.

**Make sure all materials are labeled properly to avoid any delivery delays.** - All pieces should have the recipient’s name, address, the show name, your company name, and your booth number. Use the label we provide in the service kit. Make copies as needed.

Remove old labels after every show to avoid any future confusion. If you are shipping multiple pieces, label them as such: 1 of 4; 2 of 4; 3 of 4; 4 of 4, etc.

**ADVANCE ORDER CUT-OFF DATE: MONDAY, AUGUST 26, 2019**

**MATERIAL HANDLING SERVICE** includes all labor and equipment required to move freight, empties, and deliveries at either the advance warehouse or show site. Freight includes all deliveries, whether from common carriers, private trucking companies, FedEx, UPS, DHL, POVs, messenger services, and the like. Movement of the freight may include unloading shipments, providing storage for up to 30 days in advance at the warehouse, delivery to exhibit booth, removal, storage, and return of empty containers at the close of the show, removal of materials from your exhibit booth to the loading dock for reloading onto outbound carriers, and freight that is forced from site due to late or non-pickup after show hours. Charges are based on CWT (100lb) increments or fraction thereof with a 200lb. minimum per shipment. No cumulative weights will be allowed on minimums or split shipments. Weights are rounded up to the next 100lbs.

**ACCEPTANCE OF CHARGES** The consignment or delivery of a shipment to Advantage Conference & Expo by an exhibitor, or by a shipper/carrier acting on behalf of the exhibitor shall be construed as an acceptance by the exhibitor (and/or shipper) of the terms and conditions set forth for all Material Handling Services. The exhibitor accepts responsibility for the payment of Advantage Conference & Expo’s charges in connection with the handling of their shipment, and guarantees payment in the event that any third party acting on their behalf fails to pay such fees.
